## Automated Garbage Collection

Servicing Your Area  
April 5, 2010

## **Dear Resident,**

The City of Daphne will soon start its automated garbage service in your area. This brochure contains helpful information that will acquaint you with the City's automated garbage service. The City is committed to provide you with the best garbage collection service possible.

**Collection:** As of April 5, 2010 the Collection schedule will go to once a week service. Please see back of brochure for your day of service. Collection Schedule will also be posted on the City's website [www.daphneal.com](http://www.daphneal.com). Holiday schedule will also be posted on the website and in local newspaper.

**Container:** The City will provide an initial green garbage container to each residential unit at no cost. Additional containers may be purchased at a cost of \$65.00 per container. Each container will be numbered and assigned to a specific residential address. If you currently rent a can, the rental charge will be removed from your bill starting on your 4/05/10 billing cycle.

**Placement:** Container must be put out at the curb by 7:00 a.m. The collection truck must have access to your container. Place the front of your container facing the street. Place container 3 feet from surrounding objects (2nd can, mailboxes, trees, utility lines, etc.) Please do not park cars within 30 feet of cans. The collection truck is on a scheduled route and it is difficult for the truck to return to your address if your garbage is missed because it was not put out correctly or on time. Your containers should be removed from the curb by no later than 7:00 p.m. the day of your service.

### **What to Place in Container**

Place household garbage in bag and then put in container. Do not over-stuff the container to the extent that the lid will not close or the bag will not come out of can when it is lifted by the truck. Please bag all packing peanuts and styrofoam material.

**Other Containers:** You may NOT use any other container for garbage except the one issued or approved by the City. ALL garbage must be placed inside your container. NO loose bags or boxes will be collected.

**The driver will not exit the truck to collect items.**

### **Damaged Containers:**

If your container is damaged through normal use, the City will replace one container at no cost to you. The City is not responsible for repair or replacement of rollout containers when it is damaged because of abuse or neglect, or containers not furnished by the City.

**Moving/Relocating:** The container is the property of the City of Daphne. Please leave container at the address that it is assigned. Please do not remove container from current address.

**Stolen Containers:** Please call and report stolen container to the Solid Waste Department by calling 251-625-2004.

**Yard Waste:** Do NOT put yard waste in your roll out container. Yard waste is collected by a different truck (Trash Truck). This service has not changed.

**Hazardous Waste:** It is unlawful to place hazardous waste in your container.

### **Caring For Your Container:**

Keep your container clean by washing it with mild soap and water. You may also sanitize and control odors by rinsing with a diluted bleach solution and rinsing thoroughly.
